Stats & Facts

Beth Israel Deaconess Medical Center (BIDMC) is one of the nation’s preeminent academic medical centers committed to providing excellence in clinical care, teaching, research and community outreach.

Did You Know:
• Virtually all of our 1,250 full-time medical staff are on the faculty of Harvard Medical School (HMS).
• We have 672 licensed beds, including 463 medical/surgical beds, 69 critical care beds and 60 OB/GYN beds.
• We’re at the forefront of health information technology and scientific discoveries that help to transform medical care.
• We have a uniquely strong and deep medical education program that attracts top faculty and residents.
• We are the official hospital of the 2013 world champions Boston Red Sox.

What is an ACO?

BIDMC became part of a Pioneer Accountable Care Organization (ACO) called Beth Israel Deaconess Care Organization (BIDCO) on December 30, 2012. An ACO is a group of doctors, hospitals, and other health care providers, who come together voluntarily to give coordinated high quality care to their Medicare patients.

BIDCO provides physician groups and hospitals the structure to contract, share risk, and build high-quality, cost-efficient care management systems together. BIDCO has been successful in the Pioneer ACO program by continuously finding innovative ways to encourage care coordination and clinical integration, such as having Nurse Practitioners provide medical care to high-risk patients in their home, instead of in a physician’s office or outpatient facility.

Today, BIDCO has a network of 2,400 doctors (PCPs and specialists) and seven hospitals in eastern Massachusetts, and has been a top-performing Pioneer ACO in Massachusetts and a national leader in the innovative program since the model started in 2012.

Hospital and Physician Practice Affiliations

Our affiliations with hospitals and physician groups in eastern MA mean that patients can receive high quality care close to home with access to specialty care at BIDMC, if needed.

Anna Jaques Hospital, a 123-bed community hospital serving the Merrimack Valley, has been clinically affiliated with BIDMC since 2010.

Atrius Health and BIDMC formed an affiliation in 2010. Atrius Health represents more than 1,000 physicians and 2,100 other health professionals.

Cambridge Health Alliance, affiliated with BIDMC since 2013, has more than 400 physicians in 30 specialties on campuses in Cambridge, Somerville and Everett.

Joslin Clinic and BIDMC physicians work together to provide the best quality care to prevent diabetes and its complications. The focus is on cardiovascular disease, vascular surgery and foot care, visual impairment, kidney and pancreas dysfunction, obesity and diabetes related to pregnancy.

Community Care Alliance, LLC has seven health centers affiliated with BIDMC in and around Boston and Cape Cod.

Hebrew SeniorLife provides an array of health care services, including long-term care, post-acute care, adult day health, and outpatient services in Boston and Dedham.

Lawrence General Hospital, a 189-bed community hospital serving patients in the Merrimack Valley region, has been clinically affiliated with BIDMC since 2010.

Signature Healthcare, a 253-bed facility with over 150 physicians, became clinically affiliated with BIDMC in the summer of 2013.

Awards and Honors

*BIDMC is consistently recognized for outstanding care and quality. Here are some of our most recent awards and honors:

**American Hospital Association-McKesson Quest for Quality Prize**
This prestigious prize recognizes BIDMC as a national model for reliable, high-quality, patient-centered care.

**The Leapfrog Group “Hospital Safety Score”**
For the fourth consecutive year, BIDMC earned an "A" for safety in the Hospital Safety Score ratings, a set of 26 standards used to evaluate process and outcomes in the nation’s hospitals.

**Truven Health Analytics “50 Top Cardiovascular Hospitals” in the U.S.**
This recognition reflects outstanding performance regarding cardiovascular outcomes for heart attack, heart failure, angioplasty and bypass surgery.

**The Joint Commission Top Performer on Key Quality Measures**
BIDMC was recognized for exemplary performance in using evidence-based clinical processes that are shown to improve care for certain conditions like heart attack, surgery and pneumonia.

**The Human Rights Campaign Leader in LGBT Healthcare Equality**
The educational arm of the country’s largest lesbian, gay, bisexual and transgender (LGBT) civil rights organization recognized BIDMC for doing the best work to provide equal care for LGBT Americans.
