

BIDMC Parkinson's Disease and Movement Disorders Center

You're Invited to Learn about Deep Brain Stimulation!

Please join us for an informal meeting to learn about Deep Brain Stimulation (DBS) from the BIDMC Ambassadors who have recently gone through the evaluation process and the surgery, as well as the DBS team.

This virtual meeting is open to anyone who is interested in learning more about Deep Brain Stimulation as a treatment for Movement Disorders.

Thursday, April 13, 2023

2:00 - 3:30 p.m.

Beth Israel Deaconess Medical Center, East Campus
330 Brookline Avenue, Boston, MA 02215

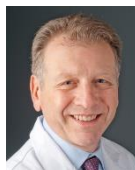

This event will take place virtually on Zoom.

BIDMC DBS Team Presenters:

Lan Luo, MD, MS

Movement Disorders Neurologist
Co-Director, DBS Program
Instructor of Neurology
Harvard Medical School

Ron Alterman, MD

Chief, Division of Neurosurgery
Professor of Surgery
Harvard Medical School
