Join us for a community meeting to share your ideas on how new community health funds might be spent.

These are some of the top health and social issues identified by Boston residents:

- housing
- violence
- mental health
- jobs & financial security
- substance use
- education

Do you agree? Does your community face these challenges? What helps?

We want to hear from you!

Date: Sunday, June 2
Time: 10:00am – 12:00pm
Location: South Cove Community Health Center
145 South St., Boston, MA 02111

$50 gift card drawings to grocery stores
food
children welcome, activities available

Interpreters will be available. ASL available on request.
