LEADERSHIP GIVING MATTERS

For more than 120 years, we at Beth Israel Deaconess Medical Center have dedicated ourselves to delivering a standard of care that ensures all patients are not only treated with the most advanced therapies and technologies, but also safely, compassionately, and with the utmost respect.

Every step along the way, we have felt a tremendous amount of support from our community, and we are proud to recognize all who contribute leadership-level gifts of \$1,500 or more annually as BIDMC Leadership Giving Society members.

YOUR GIFT SUPPORTS

PATIENT CARE

With a keen focus on serving the community and treating patients in a holistic and personalized manner, the medical center continues to strengthen and expand our growing system of hospitals, services, physicians, and community-based practices.

11 community health center affiliations | 700,000+ patient visits each year

RESEARCH

BIDMC scientists lead more than 2,500 active research studies. These clinical and translational investigations continue to push the pace of progress by developing new therapies, diagnostics, and first-of-their-kind technological advancements for the betterment of human health around the world.

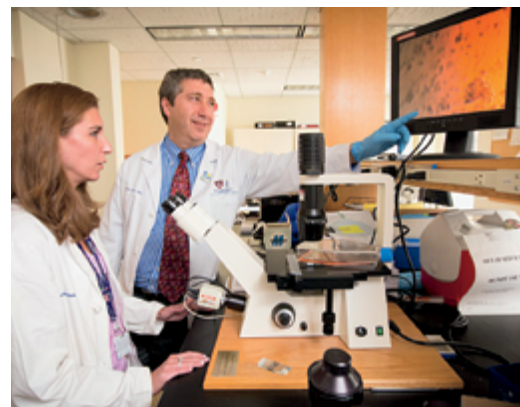

500+ active clinical trials | partnerships in 80+ countries

EDUCATION

With separate centers for medical education and education research, our work to formalize educational leadership sets us apart as a pioneer in this field with hundreds of residents, fellows, medical students, and faculty training at BIDMC each year.

450+ residents | 225+ fellows

THE BIDMC LEADERSHIP GIVING SOCIETY

Support from BIDMC Leadership Giving Society members allows the medical center to carry out its mission to serve patients and make the world a better place by pushing the boundaries of medicine through research and education.

Individuals who make gifts totaling \$1,500 or more to the medical center within a fiscal year (October 1–September 30) are honored with the following privileges in recognition of their support:

Beth Israel Deaconess
Medical Center

HARVARD MEDICAL SCHOOL
