Beth Israel Lahey Health   
Beth Israel Deaconess Medical Center

Dear BIDMC Graduating Residents and Fellows,

Congratulations on reaching this important milestone! We are honored that you chose to do your medical training here at BIDMC. Thank you for the excellent care you have given to our patients during your time here. Additionally, many of you have engaged in significant research helping to improve your field.

As faculty, we feel you teach us as much as we teach you. Thank you so much for your dedication and hard work while you were with us. As future leaders in medicine, I look forward to following your career.

All the best,

A handwritten signature in black ink that reads "Carrie Tibbles". The script is fluid and cursive, with a mix of uppercase and lowercase letters.
