

Highlights

Of current BIDMC Anesthesiology Resident activities, awards and publications

Erin Ciampa, MD

- Pannu A, **Ciampa E**, Patlak J, Oren-Grinberg A. Central sleep apnea following cervical spine injury. Case report presented at: Society of Critical Care Medicine, 46th Critical Care Congress. 2017 Jan 21-25; Honolulu, HI.
- Research: Investigation of the mechanisms underlying seizure susceptibility in preeclampsia

Kimberly Hollander, MD

- New England Anesthesia Residents Conference, Worcester, MA
Echocardiography Measurements of Right Ventricular Function As Predictors of Postoperative Supraventricular Arrhythmias After Thoracic Surgery
- Transient Ischemic Attacks – No Atrial Septal Defect and Sinus Rhythm. Submitted to Journal of Cardiothoracic and Vascular Anesthesia as a Diagnostic Dilemma. Accepted for publication
- Research Echocardiography Measurements of Right Ventricular Strain as a Predictor of Postoperative Supraventricular Arrhythmias After Thoracic Surgery

Stanley Eosakul, MD

- Toledo P, Eosakul ST, Grobman WA, Feinglass J, Hasnian-Wynia R Primary Spoken Language and Neuraxial Labor Analgesia Use among Hispanic Medicaid recipients. Anesh Analg 2016
- New England Anesthesia Research Conference, Worcester, MA Poster Session: Learning Preferences of First Year Anesthesia Residents During Their Orientation Month

Obaid Malik, MD

- **Malik OS**, Shapiro F, Kaye AD, Kaye AJ, Urman R. Emerging roles of Liposomal Bupivacaine in Anesthesia Practice. J Anesthesiology Clinical Pharmacology.
- Research: Using regional or neuraxial anesthesia for below knee amputation (BKA) may reduce the need for perioperative blood transfusions (Publication Regional Anesthesia and Pain Medicine)

Margaret O'Donoghue, MD

- O'Donoghue M, Martel J (2016) Goal-Oriented Anesthesia Week for MS III Students. 2016 Society for Education in Anesthesia Meeting, Baltimore, MD (Abstract and poster presentation)
- Shapeton A, **O'Donoghue M**, VanderWielen B and Barnett S (2016) Anesthesia for Interpreters: Procedures and Vocabulary.

Lindsay Rubenstein, MD

- VanderWielen B, **Rubenstein L**, Shnider M, Ku C, Wakakuwa J. Recognition of a thoracic epidural hematoma in the setting of transient paralysis: A&A Case Reports

Tori Sutherland, MD

- Patient and Provider-Identified Factors Contributing to Surgical Readmission After Colorectal Surgery. Sutherland T1, David-Kasdan JA2, Beloff J2, Mueller A1, Whang EE3, Bleday R3, Urman RD4. <https://www.ncbi.nlm.nih.gov.ezp-prod1.hul.harvard.edu/pubmed/26891195>

Julia Parzych, MD

- BIDMC Silverman Institute for Health Care Quality and Safety Annual Silverman Symposium Poster Session "Where's the Blood? A Quality Improvement Project in Preoperative Blood Bank Ordering.
- RCA Project: Delay in response to expanding neck hematoma and evolving airway compromise Buell E, Colella M, **Parzych J**, Teja B, Tryjankowski J

Alexander Shapeton, MD

- Case Abstract, Poster Presentation Title: "Use of Peri-Operative Ultrasound and Echocardiography in the Setting of Cardiac Arrest and Hemodynamic Instability During Attempted Open Abdominal Aortic Aneurysm Repair." Authors: Kiran Belani, MD; **Alexander Shapeton, MD**; Feroze Mahmood, MD; Robina Matyal, MD

Beth VanderWielen, MD

- Abstract SOAP: VanderWielen B. Sorabella L. Stiles J. Vasudevan A. Hess P. "An initial look at identification of L3-L4 interspace in parturients by palpation: Can we teach residents to be better than chance?" Society for Obstetric Anesthesia and Perinatology
- Abstract ASRA ; VanderWielen B. 2017. Online Module 31 Sonoanatomy for Pecs I/II and Serratus Plane Blocks Anesthesia Education Toolbox
