Other research experience

Research assistant (2012)

Department of cardiology, Regional Hospital Silkeborg

Second author on an article that has not been able to be published. The goal of the study was to identify extracardial findings and the significance of these in relation to the symptoms presented in the patients. I worked independently during the whole process, supervised by cardiologist Lone Deibjerg.

- *Jens Deibjerg Hassing M.S., Sharri Junadi Mortensen B.S., Brian Løgstrup M.D. , Chadi Abdel-Halim B.S., and Lone Deibjerg M.D. Extra-cardiac findings in cardiac CT – Some evidence from a fast track outpatient clinic.* (Not published)

Extracurricular medical experience:

2013, Temporary Physician, Orthopedic department at Silkeborg Hospital (Summer vacation locum job, June - September)

Functioning as first responding Physician in the small emergency room as well as running my own ambulatory program within my capacity as a 4th year medical student.

2012, Nursing temporary at AMBIO in Norway (Summer job, July-September)

Medicine administration and wound shift for the elderly in the Arendal Area

2009-2012, Nursing temporary at FADL in Denmark

Nursing at different hospitals in Jutland, Denmark

Voluntary and Association work

2015-2016, Founder and head of activity for SØNHK Aarhus (Student organization for Ear-Noise-Throat specialty)

2011-2015, Chairman for Egegade Homeowner Association

2011-2012, Financial manager for Umbilicus, Med. Student's Social Board

(Including annual tax reports and balance presentations for accountants. Yearly turnover of 1.5 million DKKR)

2009-2013, Work in miscellaneous integration projects as a coordinator and trainer (Coordinating yearly projects, mainly sports activities, for children with difficult living circumstances)

2011, Board member of IMCC Aarhus (International Medical Cooperation Committee)

Students organization, offering medical students opportunities for diverse experiences during their education. E.g. voluntary work in Africa, children's hospital etc.
