Beth Israel Deaconess Medical Center

MRI Research Safety & Study Information Form

MRI Research Department Updated 9/17/2020

Today's Date	Name	Subject ID:			
Your Weight	Date of Birth				
Emergency Contact Name and Telephone Number					
Have you signed a research consent form? ☐ Yes ☐ No					

An MRI examination involves the use of a very strong magnet. For your safety, the presence of certain metallic objects must be

Do you have any of the following? (Documentation required on make and model of any implant) Nes No	deter	letermined <u>before</u> entering the exam room. Please place a check under the appropriate column for each of the items listed below.						
### Date of Surgery: Do you have any metallic heart valves or any stents (cardiac, carotid, renal, billary, vascular, etc.)? If Yes: Make/Model #:	Do you have any of the following? (Documentation required on make and model of any implant) Yes							
2. Do you have any metallic heart valves or any stents (cardiac, carotid, renal, biliary, vascular, etc.)? // Yes: Make/Model #:	1.	Do you have a pacemaker, pacer wires, implantable defibrillator, or implanted monitoring device?						
### Date of Surgery:		If Yes: Make/Model #: Date of Surgery:						
3. Do you have a Linx® Reflux Management System or EnteroMedics® VBLOC Maestro System? 4. Do you have a bio or neurostimulator, spinal cord stimulator, or other neurological implant? // Yes: Make/Model #:	2.	Do you have any metallic heart valves or any stents (cardiac, carotid, renal, biliary, vascular, etc.)?						
4. Do you have a bio or neurostimulator, spinal cord stimulator, or other neurological implant? // Yes: Make/Model #:		If Yes: Make/Model #: Date of Surgery:						
### Date of Surgery:	3.	Do you have a Linx® Reflux Management System or EnteroMedics® VBLOC Maestro System?						
5. Do you have any aneurysm clips (ex. brain)? // Yes: Make/Model #: Date of Surgery:	4.	Do you have a bio or neurostimulator, spinal cord stimulator, or other neurological implant?						
5. Do you have any aneurysm clips (ex. brain)? // Yes: Make/Model #: Date of Surgery:		If Yes: Make/Model #: Date of Surgery:						
6. Do you have any shunts (spinal, ventricular, peritoneal, subgaleal, etc.)? // Yes: Make/Model #:	5.	Do you have any aneurysm clips (ex. brain)?						
Are they programmable? □Yes □No 7. Do you have an implanted pump (insulin, pain medicine, chemotherapy, etc.)? 8. Are you wearing a patch that delivers medication (nicotine, nitroglycerin, pain medicine, etc.) or are you wearing a medicated cream? 9. Have you had ear surgery, or an implant or prosthesis placed? 10. Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)? 11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattooed eyeliner, or permanent makeup? If yes, where:		If Yes: Make/Model #: Date of Surgery:						
Are they programmable? □Yes □No 7. Do you have an implanted pump (insulin, pain medicine, chemotherapy, etc.)? 8. Are you wearing a patch that delivers medication (nicotine, nitroglycerin, pain medicine, etc.) or are you wearing a medicated cream? 9. Have you had ear surgery, or an implant or prosthesis placed? 10. Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)? 11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattooed eyeliner, or permanent makeup? If yes, where:	6.	Do you have any shunts (spinal, ventricular, peritoneal, subgaleal, etc.)?						
7. Do you have an implanted pump (insulin, pain medicine, chemotherapy, etc.)? 8. Are you wearing a patch that delivers medication (nicotine, nitroglycerin, pain medicine, etc.) or are you wearing a medicated cream? 9. Have you had ear surgery, or an implant or prosthesis placed? 10. Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)? 11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattooed eyeliner, or permanent makeup? If yes, where:		If Yes: Make/Model #: Date of Surgery:						
8. Are you wearing a patch that delivers medication (nicotine, nitroglycerin, pain medicine, etc.) or are you wearing a medicated cream? 9. Have you had ear surgery, or an implant or prosthesis placed? 10. Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)? 11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:		Are they programmable? □Yes □No						
wearing a medicated cream? 9. Have you had ear surgery, or an implant or prosthesis placed? 10. Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)? 11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	8.	Are you wearing a patch that delivers medication (nicotine, nitroglycerin, pain medicine, etc.) or are you						
10. Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)? 11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattooed eyeliner, or permanent makeup? If yes, where:	wea	aring a medicated cream?						
11. Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"? 12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	9.	Have you had ear surgery, or an implant or prosthesis placed?						
12. Have you had a metal injury to the eye? 13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	10.	Have you had eye surgery (cataracts, etc.), or an implant or prosthesis placed (eye springs or wire, etc.)?						
13. Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body? 14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	11.	Are you currently wearing colored contact lenses or eye enlarger/dilator "circle lens"?						
14. Do you have any weapons with you today (guns, bullets, knives)? 15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	12.	Have you had a metal injury to the eye?						
15. Do you have an indwelling port, catheter, or feeding tube? 16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	13.	Do you have shrapnel or any metal fragment including bullet fragments anywhere in your body?						
16. Do you have any tissue expanders or implants (breast, chest wall, etc.)? 17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	14.	Do you have any weapons with you today (guns, bullets, knives)?						
17. Have you swallowed a core temperature sensor? 18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	15.	Do you have an indwelling port, catheter, or feeding tube?						
18. Are you having an endoscopy study right now which uses a small pill camera? 19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	16.	Do you have any tissue expanders or implants (breast, chest wall, etc.)?						
19. Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days? 20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	17.	Have you swallowed a core temperature sensor?						
20. In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion? 21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	18.	Are you having an endoscopy study right now which uses a small pill camera?						
21. Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	19.	Have you had a colonoscopy, endoscopy, or interventional procedure in the last 30 days?						
growth stimulators? 22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	20.	In the last 30 days, have you had Feraheme® (ferumoxytol) iron fusion?						
22. Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)? 23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	21.	Do you have you any type of prosthesis, external fixation device, artificial joints or pinning, or bone						
23. Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent makeup? If yes, where:	gro	wth stimulators?						
makeup? If yes, where:	22.	Do you have permanent and/or removable dental work (braces, retainers, dentures, dental implants, etc.)?						
	23.	Do you have any body/skin piercings, body art modifications, tattoos, tattooed eyeliner, or permanent						
24. Are you wearing magnetic nail polish (Magna Nails™), magnetic eyelashes, or "Magic Hair"?	ma	keup? If yes, where:						
	24.	Are you wearing magnetic nail polish (Magna Nails™), magnetic eyelashes, or "Magic Hair"?
