

BIDMC Translational MRI Research New Study - Request for MR Scan Time

Date Form Completed:

| 1. Project Title: | | | |
|--|------------------------------------|----------------------|--|
| 2. Short Title (5 words or less): | | | |
| 3. Brief Project Description: | | | |
| 4. IRB Protocol (If applicable) IRB Protocol Number: | IRB Approval Date: | IRB Expiration Date: | |
| 5. Anticipated Start Date: | Proje | ected End Date: | |
| 6. Name of the Principal Investigator Name: Address: | | Dept: | |
| Phone: Email: | | Fax: | |
| Lindii. | | | |
| 7. Name of the Primary Contact Person Name: | e.g. responsible for running proje | ect on-site Dept: | |
| Address: | | | |
| Phone: | | Fax: | |
| Email: | | | |
| Cell phone for emergency contact (e.g. scann | ner is down, snow storm, etc.): | | |
| | | | |
| 8. Please check one: | Project | Unfunded Pilot Study | |
| For Pilot Projects Only (obtaining data with subjects for future funded projects): Number of hours of MR scan time requested for pilot study (20 hours max.): If data is to be used for a grant application, please provide potential funding source and application deadline: Date email request sent to mfox2@bidmc.harvard.edu and dalsop@bidmc.harvard.edu : | | | |

Note: Pilot projects must be approved in writing before completing this form. If you exceed approved hours, you must reapply for

additional hours. Please contact MRI Research at mriresearch@bidmc.harvard.edu with any questions.

Revised: 01/2017

Beth Israel Deaconess Medical Center BIDMC Translational MRI Research New Study - Request for MR Scan Time

| For ALL Funded Accounts: Source (e.g. NIH, etc) of Funding: | | | | |
|---|--|-------------------------------|--|--|
| Duration of Funding: Start Date: | End I | Date: | | |
| Billing Information: | | | | |
| Research Administrator: | Phone: | | | |
| Address: | Email: | | | |
| | | | | |
| Established studies: BIDMC Account Number: | | | | |
| Was study derived from BI Pilot MR data? ☐ Yes | □ No | | | |
| Is Pre-Protocol Development Requiredsetting up the protocol/sequences with the technologist on the scanner? ☐ Yes ☐ No | | | | |
| Number of hours requested for protocol development (should not exceed 5 hours): Name of person you are working with from MRI Research re: protocol development, if applicable: If protocol is known, please list sequences: | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| 9. Which magnet will be used: ☐ 1.5T ☐ 3T | ☐ Both 1.5T and 3T | | | |
| | | | | |
| 10. Estimated duration and total number of scanning sessions requested. *Reminder, a standard study slot consists of a 45 minute scan and 15 minutes for setup, breakdown, and cleaning. Please also include the time to set up study equipment. Studies will be booked and charged in 30 minute increments. The time may be adjusted accordingly after the pre-protocol phase is complete. Please contact Fotini Kourtelidis, MRI Research Technologist, with questions related to scan duration @ 617-667-2156 or email fkourtel@bidmc.harvard.edu | | | | |
| Total number of subjects: Total number of scans/subject: | | | | |
| Estimated scan time/subject: | | | | |
| | | | | |
| 11. Will contrast be used?: If yes, please submit the approved Part E. | | ☐ No ☐ Yes | | |
| in yes, piedse submit the approved rait 2. | Type, dose & route: Administered by | ☐ prior to scan ☐ during scan | | |
| | Type, dose & route: Administered by | ☐ prior to scan ☐ during scan | | |
| | | | | |
| 12. Will medications other than contrast be administered prior to the scan or during the scan?: No Yes | | | | |
| | Type, dose & route: Administered by | ☐ prior to scan ☐ during scan | | |
| | Type, dose & route: Administered by | ☐ prior to scan ☐ during scan | | |
| | Type, dose & route: Administered by | ☐ prior to scan ☐ during scan | | |

Beth Israel Deaconess Medical Center BIDMC Translational MRI Research New Study - Request for MR Scan Time

| 13. Will healthy volunteers be scanned? | ☐ Yes | ∐ No | |
|--|----------------------------|------------------------------|--|
| Number of healthy volunteers to be scanned: | | | |
| Frequency of scan(s) per healthy volunteer and interval: | | | |
| | | | |
| | | | |
| 14. Will patients be scanned? | ☐ Yes | □No | |
| Number of patients to be scanned: | cs | c | |
| Frequency of scan(s) per patient and interval: | | | |
| | surance? | □ No | |
| Are there clinical scans that need to be booked in CCC and charged to the patient's in | surance? Tes | | |
| I | | I | |
| Will your study use LAR's to obtain consent? | ☐ Yes | | |
| If yes, will the LAR/a family member familiar with the patient's medical history be a | | | |
| and review the MRI Safety Form? | ☐ Yes | □ No | |
| | | | |
| | | | |
| 15. Will animals be used in this study: | s \square No | , | |
| If yes, please describe the details of the study in an attached document or email | _ | | |
| | | Expiration Date: | |
| What is your IACUC approval number: IACUC Approval Date: | TACUC | Expiration Date. | |
| | | | |
| 14. Will be readers about the inhelational quantitation on infectious quantitation | | | |
| 16. Will hazardous chemicals, inhalational anesthetics, or infectious agents be | | | |
| If yes, please describe the details of the study in an attached document or email to m | <u>riresearch@bidmc.ha</u> | arvard.edu | |
| | | | |
| | | | |
| | | | |
| | | | |
| 17. Will you be bringing any objects or devices that will need to enter the MR | | | |
| If yes, please send the of the object/device in an attached document or email to mrire | <u>esearch@bidmc.harva</u> | <u>ard.edu</u> | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |
| 18. Will you be using the Nova Head Coil or any other non-FDA approved dev | ices during the MR | I Scan? ☐ Yes ☐ No | |
| If yes, please submit the approved Part G and name the device and its purpose: | _ | | |
| | | | |
